HELVETIA POLO CLUB

Indaituba, Brazil

The leading polo destination in the Sao Paulo region of Brazil can offer 45 top-class polo grounds, plus a warm welcome in some breathtaking locations. Guards Polo Club turned to this club when creating its own Brazilian international event in 2014. With the amateur Brazilian players regularly playing off seven goals, the polo here is always impressive. Polo is played at Helvetia from March to October and guarantees great sport. However, if you feel that your game needs a little boost, Helvetia can also provide polo lessons at its own academy, as well as other equestrian opportunities.

KURLAND ESTATE

Western Cape, South Africa

When South Africa played England for the Coronation Cup in 2013 their young team – thought to be the youngest ever – impressed everyone. But it's easy to see why if you take a visit the Kurland Estate just outside Plettenberg Bay. This polo location offers four full-sized fields and hosts tournaments from December through to April. However, Kurland is not just about polo. The Estate boasts a five-star boutique hotel and spa and guests are invited to explore the estate's extensive network of roads and tracks on quad bike, on foot or on horseback.
